Refer to the Employee Basic Schedule of Benefits to determine to which coverage and class(es) this page applies. When applicable, the Employee Schedule of Benefits will indicate employee premium CONTRIBUTIONS are not required and INDIVIDUAL EFFECTIVE DATE is First of the Month.

SECTION 4 - INDIVIDUAL EFFECTIVE DATE NON-CONTRIBUTORY INSURANCE

The eligible Employee, prior to receiving coverage under this policy must make written election on a form approved by AUL and the Employer must contribute the required amount of premium to AUL on a timely basis.

For amounts of coverage that do not exceed the Guaranteed Issue Amount shown in the Schedule of Benefits, the effective date for an eligible Employee is:

- 1) the first day of the Coverage Month; or
- 2) the first day of the next Coverage Month if the Employee applies after the first day of the Coverage Month.

To receive any amount of coverage exceeding the Guaranteed Issue Amount, the eligible Employee must make written request to AUL on a form approved by AUL and undergo medical underwriting. Satisfactory Evidence of Insurability must be provided prior to receiving any amount of coverage greater than the Guaranteed Issue Amount.

If an eligible Employee desires to decline coverage for which the Employer would pay 100% of the premium, the Employee must first notify the Employer in writing of this decision prior to coverage being declined. Once coverage is declined, the Employer is not responsible for paying premium for that Employee, and the Employee will not be eligible for any coverage under this Policy. If an eligible Employee initially declines coverage and later desires to have coverage, the Employee will be required to undergo medical underwriting and submit satisfactory Evidence of Insurability prior to receiving any coverage. No coverage shall begin until the date AUL has approved the request for coverage in writing and the required amount of premium is received from the Employer.

Any eligible Employee who converted his insurance under this policy to an individual life insurance policy and if that individual life insurance policy is still in force, the Employee is required prior to becoming insured again under this policy to undergo medical underwriting and submit satisfactory Evidence of Insurability. If the Employee does not wish to undergo medical underwriting and submit satisfactory Evidence of Insurability, the Life Amount under this policy will be reduced by the amount of coverage under the individual life insurance policy. No coverage shall begin until the date AUL has approved the request for coverage in writing and the required amount of premium is received from the Employer.

If an Employee is not Actively at Work on the date coverage would otherwise become effective, the effective date will be:

- 1) the first day of the Coverage Month, if the Eligible Employee returns to Active Work on the first day of the Coverage Month; or
- 2) the first day of the Coverage Month following the date the eligible Employee returns to Active Work, if Active Work begins after the first day of the Coverage Month.

Contributions for Basic insurance are not required from Employees for Personal Insurance.

Also see Continuity of Coverage, Section 5, if included in this policy.

SECTION 5 - CONTINUITY OF COVERAGE

- 2) the policy anniversary date following AUL's written approval of the change, if the date of AUL's approval is the policy anniversary date; or
- 3) the policy anniversary date next following AUL's written approval of the change, if the date of AUL's approval is after the policy anniversary date.

Prior to a change in coverage that increases the amount of coverage, the Employee must be Actively at Work and the required amount of premium be paid.

A change increasing the amount of coverage equal to or less than the Employee's Guaranteed Issue Amount takes effect on:

- 1) the policy anniversary date, if the date the Employee becomes eligible for insurance is the policy anniversary date; or
- 2) the policy anniversary date next following the date the Employee becomes eligible for the change in insurance, if the Employee becomes eligible for the change after the policy anniversary date.

A change in coverage increasing the amount of coverage above the Employee's Guaranteed Issue Amount is subject to:

- 1) satisfactory Evidence of Insurability; and
- 2) upon AUL's written approval, takes effect on:
 - a) the policy anniversary date following AUL's written approval of a request for change, if the date of AUL's approval is the policy anniversary date; or
 - b) the policy anniversary date next following AUL's written approval of a request for change, if the date of AUL's approval is after the policy anniversary date.

If the Employee is not Actively at Work on the policy anniversary that is the approved change date, any increase in the amount of coverage takes effect on the first day of the Coverage Month following the Employee's return to Active Work.

Refer to the Employee Basic Schedule of Benefits to determine to which class(es) WAIVER OF PREMIUM applies. When applicable, the Employee Schedule of Benefits will indicate WAIVER OF PREMIUM is Included.

SECTION 7 - CONTINUATION OF INSURANCE

CONTINUATION OF INSURANCE

While this policy is in force and if the Employee has ceased Active Work due to:

- 1) Sickness or injury, Personal Insurance may be continued until 9 months following cessation of Active Work;
- 2) Temporary Lay-off, Personal Insurance may be continued until the 90th day following cessation of Active Work;
- 3) an Employer-approved leave of absence, Personal Insurance may be continued until the 90th day following cessation of Active Work; or
- 4) an Employer-approved leave of absence allowed under the Family and Medical Leave Act (FMLA) or state law. Personal Insurance may then be continued until the end of the period allowed under FMLA or state law, whichever is longer.

In all the above Continuation of Insurance situations, Personal Insurance will terminate on the earliest of the following:

- 1) the date the Employee returns to Active Work;
- 2) the date the required premium payments are not received by AUL;
- 3) the date the Employee dies;
- 4) the date an Employee begins full or part-time employment;
- 5) the date this policy, or the Group Policyholder's coverage under this policy, terminates;
- 6) the date the Employee notifies the Group Policyholder that he will not be returning to Active Work;
- 7) the date the Employee's class is no longer offered under this policy;
- 8) the date the Employee is no longer a member in an eligible class;
- 9) the date the Employee makes written request for termination of coverage but not prior to the date of the request; or
- 10) the date an Employee enters military service for any country, except for temporary duty not scheduled for more than 30 days.

If the Group Policyholder has approved more than one type of leave of absence during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Employee's coverage may continue under this policy.

If the Employee does not return to Active Work, Personal Insurance terminates at the end of Continuation of Insurance period. At the end of Continuation of Insurance period, the Employee may apply, if eligible, for Waiver of Premium for Total Disability, see Section 8, if available; or may be eligible to apply to convert the Life Amount to an individual life insurance policy pursuant to Section 10.

SECTION 7A-PORTABILITY OF INSURANCE

PORTABILITY OF INSURANCE

If an Employee's coverage ceases due to termination of employment with the Group Policyholder for any reason, the Employee may continue Personal Insurance without interruption, subject to the provisions of this section. An Employee may elect either Portability of Insurance or the Conversion Privilege (See Section 10, Conversion Privilege) at the time of termination of an Employee's employment. In no event may an Employee continue Personal Insurance under both Portability of Insurance and the Conversion Privilege simultaneously. In addition, an Employee may not elect Portability of Insurance while he is eligible for coverage under the Continuation of Insurance provision due to sickness or injury, temporary lay-off, or an approved leave of absence. The Employee must be under age 70 when he elects Portability of Insurance.

To continue coverage through Portability of Insurance, the Employee must submit written notice and the required premium to AUL within 31 days of the date of termination of coverage under this policy. Payment of the required premium must be made directly to AUL by the Employee. Failure to pay such premium will terminate the coverage under the group policy at the end of the period for which the premium has been paid. AUL reserves the right to charge an administrative fee per each billing.

LIMITATIONS

- 1) If Personal Insurance is based on a multiple of the Employee's Annual Base Salary, no changes in coverage due to salary increases will be allowed under Portability of Insurance.
- 2) Dependent Insurance, if any, may be continued when an Employee's Personal Insurance is continued under Section 7A.
- 3) The Employee's Accidental Death and Dismemberment coverage may be continued under Section 7A, subject to the provisions of this policy.
- 4) Dependent Accidental Death and Dismemberment coverage, if any, may be continued when the Employee's Accidental Death and Dismemberment coverage is continued under Section 7A.
- 5) No Waiver of Premium benefits are available under Section 7A.
- 6) Portability of Insurance is not available if the Employee has established permanent residence outside the United States.

PORTABILITY OF INSURANCE TERMINATION

Personal and Dependent Insurance coverage under a Portability of Insurance Unit terminates the earliest of:

- 1) The last day of the Coverage Month for which the required premium payment is paid;
- 2) The last day of the Coverage Month in which the Employee requests termination, but not prior to the request;
- 3) The last day of the Coverage Month during which the Employee attains age 70;
- 4) The date the Employee becomes insured for AUL Group Term Life Insurance through a Group Policyholder if he should return to work;
- 5) The last day of the Coverage Month, provided AUL has given at least 31 days prior written notice of termination to the Portability of Insurance Unit; or
- 6) The date the policy is terminated by the Group Policyholder or by AUL.

If the Employee's Portability of Insurance terminates, the Employee may convert his life coverage to an individual policy. (See Section 10, Conversion Privilege)

The Employee's Portability of Insurance Unit can only be reinstated upon approval by AUL.

AUL may terminate Portability of Insurance on the last day of any Coverage Month by giving the Group Policyholder and each Portability of Insurance Unit at least 31 days prior written notice.

Refer to the Employee Basic Schedule of Benefits to determine to which class(es) this Section applies. When applicable, the Employee Schedule of Benefits will indicate WAIVER OF PREMIUM is Included.

SECTION 8 - WAIVER OF PREMIUM FOR TOTAL DISABILITY

DEFINITIONS

ELIMINATION PERIOD means a 9 month period of consecutive days of Total Disability. The Elimination Period begins on the 1st day of Total Disability and ends on the last day of the 9 month period. An Employee may not have more than three (3) days of Active Work during the Elimination Period.

WAIVER OF PREMIUM BENEFIT FOR TOTAL DISABILITY

AUL will waive further premium payments for an Employee's Life Amount if he:

- 1) becomes Totally Disabled before age 60 and while insured under this policy;
- 2) remains continuously Totally Disabled during the 9 month Elimination Period;
- 3) submits and AUL receives proof of Total Disability within the three (3) months prior to the end of the Elimination Period;
- 4) submits and AUL receives acceptable proof of continuous Total Disability at least annually and as requested by AUL, but not more often than once every three (3) months; and
- 5) is under the Regular Attendance of a Physician.

Claim Forms for Proof of Loss: Upon receipt of the initial notice of Total Disability, AUL will furnish the Group Policyholder with any necessary claim forms to be given to the Employee. These forms must be properly, accurately and truthfully completed and returned to AUL. If, for any reason, an Employee does not receive a claim form within 15 days of request, the Employee should submit written proof of Total Disability. The initial claim form or proof of Total Disability must show:

- 1) claimant's name;
- 2) Employer's name and address;
- 3) Group number;
- 4) the date Total Disability started;
- 5) the cause of Total Disability; and
- 6) the nature and extent of the Total Disability.

The initial claim form or proof of Total Disability must be signed by a Physician and sent to AUL within 90 calendar days following the Elimination Period. If it is not possible to give proof within these limits, it must be given as soon as reasonably possible. Proof of claim may not be given later than one year after the time proof is otherwise required.

AUL also may require that the Employee be examined:

- 1) at AUL's expense;
- 2) by a Physician of AUL's choice.

The required amount of premium must continue to be received by AUL until AUL approves the request for Waiver of Premium Benefit for Total Disability and the Elimination Period has been fulfilled.

SECTION 8 - WAIVER OF PREMIUM FOR TOTAL DISABILITY

Continued

While the Employee meets the conditions set forth above and is approved by AUL for the benefit, the Employee will retain coverage without the need to make further premium payments until the first of the following occurs:

- 1) proof of Total Disability is not received by AUL;
- 2) the Employee becomes employed, or is found able to be employed in an occupation for which he is reasonably fitted by training, education or experience;
- 3) the Employee refuses to undergo a medical examination requested by AUL;
- 4) the date the Employee is not under the Regular Attendance of a Physician;
- 5) proof of continuous Total Disability is not submitted within the twelfth month of any benefit period unless it was not possible to do so;
- 6) the Employee attains the Full Retirement Age pursuant to Social Security Administration regulations;
- 7) the Employee's class terminates;
- 8) the Employee is no longer Totally Disabled.

Any Accidental Death and Dismemberment Insurance will continue until the earliest of the following dates:

- 1) the date of the final benefit determination by AUL;
- 2) 9 months following the Date of Disability; or
- 3) the date the required amount of premium was not received by AUL.

Refer to the Schedule of Benefits under WAIVER OF PREMIUM BENEFIT FOR TOTAL DISABILITY to determine to which class(es) the following paragraph(s) applies.

The following applies when reductions are applicable:

When the Employee is approved for benefits under this Waiver of Premium Benefit for Total Disability, the coverage in force under this policy will be the Life Amount and:

- 1) will not include any Accidental Death and Dismemberment coverage the Employee may have had; and
- 2) will reduce if:
 - a) the coverage for the Employee's class is reduced; or
 - b) the Schedule of Benefits includes an automatic reduction for all Employees in his class at a certain age.

SECTION 8 - WAIVER OF PREMIUM FOR TOTAL DISABILITY

Continued

Life and Accidental Death and Dismemberment Insurance premiums must be paid to and received by AUL during the Waiver of Premium Benefit for Total Disability Elimination Period. If the benefit request is approved, any unearned premium beyond the Elimination Period will be refunded.

If the Employee is not approved for this benefit, the Employee may apply to convert his Life Amount to an individual life insurance policy pursuant to Section 10, Conversion Privilege within 31 days from notice of the adverse benefit determination. If the Employee did not pay premiums during the Elimination Period, the Employee is not eligible to convert his coverage to an individual life insurance policy upon notice of an adverse benefit determination.

If the Employee dies during the Elimination Period and the required amount of premiums were not received by AUL, no benefit will be due under this policy.

If coverage under the Waiver of Premium Benefit for Total Disability terminates, the Employee is entitled to apply to convert his Life Amount to an individual life insurance policy within 31 days of cessation of such coverage pursuant to Section 10, Conversion Privilege.

If coverage under the Waiver of Premium Benefit for Total Disability terminates because the Employee returns to Active Work with the Group Policyholder and this policy is still in force, the Employee is eligible to apply for all coverages available to his class.

If benefits are payable under this policy after the Employee is approved for Waiver of Premium and the Employee has applied and been issued an individual life insurance policy under Section 10, Conversion Privilege, any amount payable under this policy will be reduced by the amount payable under the individual life insurance policy. IN NO EVENT WILL A BENEFIT BE PAYABLE UNDER BOTH THE INDIVIDUAL LIFE INSURANCE POLICY AND THIS POLICY GREATER THAN THE LIFE AMOUNT, NOR WILL ACCIDENTAL DEATH AND DISMEMBERMENT BENEFITS, IF ANY, BE PAYABLE BEYOND THE WAIVER OF PREMIUM BENEFIT FOR TOTAL DISABILITY ELIMINATION PERIOD.

SECTION 9 - INDIVIDUAL TERMINATIONS

Personal Insurance terminates on the earliest of the following dates:

- 1) the date this policy is terminated;
- 2) the date the Employee requests termination but not prior to the date of the request;
- 3) the date for which any required premium payment was not received by AUL;
- 4) the date the Employee ceases to be eligible, see Eligibility, Section 3 and Section 3A, if any;
- 5) the date the Employee becomes a Retiree, unless the Schedule of Benefits includes a specific classification for Retirees;
- 6) the date the Employee enters active military service for any country except for temporary duty of 30 days or less;
- 7) the date the Employee ceases Active Work, except for an event listed in this policy in Continuation of Insurance, Section 7; or

Accidental Death and Dismemberment coverage terminates when Personal Insurance terminates. Accidental Death and Dismemberment coverage also terminates on the earliest of the following dates:

- 1) the date of an adverse or positive benefit determination under the Waiver of Premium Benefit provisions;
- 2) the last day of the Coverage Month during which the Employee becomes a Retiree, unless the Schedule of Benefits includes a specific classification for Retirees that includes AD&D Principal Sum Amounts;
- 3) the date the Employee's Life Amount reduces to zero; or
- 4) the end of the Elimination Period.

SECTION 10 - CONVERSION PRIVILEGE

If any portion of the insurance of an insured Employee under this policy terminates because the Employee's employment or membership in the class or classes eligible for coverage under the policy terminates, the Employee may apply for an individual life insurance conversion policy without evidence of insurability. The coverage amount of the individual life insurance conversion policy shall not exceed the amount of life insurance that ceases because of loss of eligibility for coverage under this policy minus the amount of any group life coverage for which the Employee becomes eligible within 31 days of termination.

If the Employee's coverage ceases due to termination of the Policy or is amended as to terminate the insurance of a class of insured Employees, each Employee may apply for and receive an individual life insurance conversion policy if the Employee's group life insurance has been in force with AUL for five (5) continuous years before the termination date. The coverage amount of the individual life insurance conversion policy may not exceed the LESSER of:

- 1) the amount of life insurance that ceases because of termination minus the amount of any group life coverage for which the Employee becomes eligible within 31 days of termination; or
- 2) \$2,000.

The conversion privilege is subject to the following:

- 1) Written application must be made and the first premium must be paid within 31 days after the date of termination of insurance.
- 2) An individual life insurance policy, other than term life insurance, offered by AUL at the time of conversion, may be selected.
- 3) The premium on the individual policy must be at AUL's then customary rate applicable to the form and amount of the individual policy, to the class of risk to which the person or dependent then belongs, and to the individual age attained by the person or dependent on the effective date of the individual policy.
- 4) The individual life insurance conversion policy takes effect on the last day of the application period and is in lieu of all benefits under the Policy.

If notice of the existence of the conversion right is not given at least 15 days before the expiration of the period during which the conversion application and payment of the first premium must be made under the terms of the policy, the person has an additional period within which to exercise the conversion right. The additional conversion application period created to exercise a right of conversion expires 15 days after the person is given notice of the conversion right. However, irrespective of the date on which notice is given or of the absence of any notice, the additional conversion application period may not extend beyond 60 days after the expiration date of the period within which conversion application period and payment of the first premium were to be made under the terms of the policy. For purposes of this section, notice of the right of conversion may be given to the Employee in writing presented to the person; mailed by the Group Policyholder to the last known address of the person; or mailed by the insurer to the last known address of the person as furnished by the Group Policyholder.

If death occurs during the conversion application period, AUL will pay the Life Amount available for conversion whether or not the application or the first premium payment has been made. After the 31-day period, no conversion application will be accepted unless it is proven that it was not possible for the Employee to apply in a timely fashion. The individual life insurance conversion policy will not include Accidental Death benefits or any other benefits currently in force under this Policy.

Premium must be paid to and received by AUL for coverage during the conversion application period.

IF DEATH OCCURS DURING THE CONVERSION APPLICATION PERIOD, IN NO EVENT WILL BENEFITS BE PAYABLE UNDER BOTH THE INDIVIDUAL CONVERSION POLICY AND THIS POLICY. ACCIDENTAL DEATH AND DISMEMBERMENT BENEFITS, IF ANY, ARE NOT PAYABLE BEYOND THE DATES OUTLINED IN SECTION 9, INDIVIDUAL TERMINATIONS.

Refer to the Employee Basic Schedule of Benefits to determine to which coverage and class(es) this page applies. When applicable, the Employee Schedule of Benefits will indicate INDIVIDUAL REINSTATEMENTS are First of the Month.

SECTION 11 - INDIVIDUAL REINSTATEMENTS

If Personal Insurance and Dependent Insurance, if any, terminate due to termination of an Employee's employment, the Employee can apply to reinstate that coverage following return to Active Work. The following conditions apply:

- 1) When return to Active Work occurs within 30 days of the termination of coverage, coverage becomes effective on the first day of the next Coverage Month following the date of return to Active Work. Evidence of Insurability will not be required for any amount of coverage less than the Guaranteed Issue Amount.
- 2) When return to Active Work occurs after the period specified in paragraph 1 above, the Employee will be considered a new employee and the requirements found in the Eligibility and Individual Effective Date Sections will apply.
- 3) When the Life Amount has been converted under the Conversion Privilege, Section 10, the Life Amount available for reinstatement under this policy will be reduced by the amount of coverage under the individual life insurance policy. In no event will the amount of coverage reinstated under this Section and the amount of coverage under the individual life insurance policy be greater than the Life Amount existing on the Employee's termination of employment.
- 4) Prior to applying for reinstatement, AUL must have received the required amount of premium timely.
- 5) The maximum amount of coverage reinstated will not exceed the maximum amount of coverage which would have been available had the Employee's coverage not terminated.

If reinstatement is requested for any reason other than returning to Active Work, medical underwriting and satisfactory Evidence of Insurability will be required prior to AUL's approval of coverage. The effective date of reinstatement will be the date determined by AUL in writing. Dependent Insurance cannot be reinstated without reinstatement of Personal Insurance.

Refer to the Employee Basic Schedule of Benefits to determine to which class(es) this Section applies. When applicable, the Employee Schedule of Benefits will indicate ACCELERATED LIFE BENEFIT is Included.

SECTION 13 - ACCELERATED LIFE BENEFIT

DEFINITION

TERMINAL CONDITION means an injury or Sickness that, despite appropriate medical care, is conclusively established to AUL will result in the Employee's death within 24 months from the date of claim.

ACCELERATED LIFE BENEFIT

If an Employee is Permanently and Totally Disabled and is diagnosed with a Terminal Condition and is eligible for benefits under this Section, the Employee may apply for payment of the Accelerated Life Benefit. The amount of Accelerated Life Benefit available is shown in the Schedule of Benefits, unless any portion of the Employee's Life Amount has already been paid. The amount of Accelerated Life Benefit available will then be based on the amount remaining after payment of any portion of the Life Amount. Benefits will be paid in one lump sum to the Employee.

At the time of payment AUL will send a statement to the Employee specifying:

- 1) the amount of benefits paid;
- 2) the effect of the Accelerated Life Benefit payment on the death benefit, on the face amount, and on the future premiums.

CONDITIONS

To be eligible to apply for the Accelerated Life Benefit:

- 1) the Employee must have Personal Insurance;
- 2) the Employee must be under age 60;
- 3) the Employee must be diagnosed by a Physician with a Terminal Condition while eligible for benefits under this Section;
- 4) an Employee who is subject to laws of a community property state obtains the spouse's written consent for payment to the Employee of the Accelerated Life Benefit; and
- 5) the Employee can receive an Accelerated Life Benefit only once.

PROOF REQUIRED FOR THE ACCELERATED BENEFIT

Proof is a completed claim form and other information AUL requires in order to determine whether benefits are owed under this Section. AUL may require that the Employee be examined by a Physician selected by AUL and at AUL's expense. If AUL requires that the Employee be examined and AUL's physician and the Employee's physician disagree on the diagnosis of a Terminal Condition, AUL shall obtain a third opinion at AUL's expense from a Physician mutually agreed upon by AUL and the Employee, and accept that Physician's diagnosis of a Terminal Condition.

LIMITATIONS

An Accelerated Life Benefit will not be paid if:

- 1) the Employee has named an irrevocable Beneficiary or made an assignment of his Life Amount;
- 2) all or a portion of the Employee's Life Amount is to be paid to another person or entity pursuant to a valid court order;
- 3) the Employee's coverage terminates; or
- 4) this policy terminates.

SECTION 13 - ACCELERATED LIFE BENEFIT

Continued

After payment of an Accelerated Life Benefit, the Employee's Life Amount payable at death to the Employee's Beneficiary equals:

- 1) the Employee's Life Amount as if an Accelerated Life Benefit payment had not been made, minus
- 2) the amount of the Accelerated Life Benefit paid, minus
- 3) the interest charge.

The interest charge equals the Accelerated Life Benefit amount, times the number of days from the date of payment to the Employee's date of death divided by 365, times the interest rate. The interest rate will be based on the current 90-day Treasury bill rate existing on the date of payment of the Accelerated Life Benefit.

NOTE: The Employee's Accidental Death and Dismemberment Insurance, if any, terminated upon approval of the Waiver of Premium benefit.

The required amount of premiums must continue to be received by AUL on the original Life Amount, unless premiums have ceased due to coverage under the Waiver of Premium benefit of this policy.

The AD&D Principal Sum, if any, will not be reduced by payment of the Accelerated Life Benefit.

The following information is used for illustrative purposes only:

Example: Life insurance in force = \$100,000*

Date of receipt of proof of terminal condition = 10/31/05

Date of payment of Accelerated Life Benefit = 11/1/05

Date of death = 2/15/06

Interest rate** = 3.5%

1. Amount of Accelerated Life Benefit = $.50 \times \$100,000 = \$50,000$

2. Interest Charge = $\$50,000 \times (106 \text{ days} / 365 \text{ days}) \times .035 = \508.22

3. Death Benefit Payable = $\$100,000 - \$50,000 - \$508.22 = \$49,491.78$

*The Employee's Life Insurance amount is shown in the Schedule of Benefits in the Employee's insurance certificate.

**The interest rate is equal to the 90-day Treasury bill rate on the date of the Accelerated Life Benefit payment.

NOTE: The Accelerated Life Benefit offered under this policy is intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. If the Accelerated Life Benefit qualifies for such favorable tax treatment, the benefit will be excludable from the Employee's income and not subject to federal taxation. The laws relating to Accelerated Life Benefits are complex. Employees are advised to consult with a qualified tax advisor about circumstances under which they could receive an Accelerated Life Benefit excludable under federal law. Eligibility for Public Assistance: Receipt of an Accelerated Life Benefit may affect the Employee's, their Dependent spouse's, or their family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. Employees are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect the Employee's, their Dependent spouse's, and their family's eligibility for public assistance.

SECTION 15 - PAYMENT OF DEATH BENEFITS

If an Employee dies while insured under this policy, AUL will pay the benefits owed under this policy to the Beneficiary:

- 1) no later than two (2) months upon timely receipt of acceptable proof of death and proof of the right of the claimant to the proceeds; and
- 2) subject to all other provisions of this policy and to the Employee's dated and signed designation.

The following Sections describe the manner in which death benefits are paid.

SECTION 16 - NAMING OF BENEFICIARY

BENEFICIARY means the individual, individuals or entity named by the Employee to receive his Life Amount.

Unless this policy provides otherwise, AUL will pay benefits according to the Employee's Beneficiary designation.

When an Employee applies for coverage he should on an AUL-approved form:

- 1) designate the name of one or more Beneficiaries;
- 2) classify the Beneficiaries by order of preference, either primary or contingent; and
- 3) indicate distribution of the proceeds among members of the class of Beneficiaries.

If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally. If no primary Beneficiaries outlive the Employee and there is no distributive share indicated among the contingent Beneficiaries, then all contingent Beneficiaries will share equally.

If this policy replaces insurance coverage of another carrier, AUL may, upon written request of the Group Policyholder, recognize Beneficiary designations in effect under the prior coverage as effective until a new designation is made with AUL, provided that prior designations are in a form acceptable to AUL and the Group Policyholder receives AUL's written approval of the form.

CHANGING A BENEFICIARY

The Employee may change a Beneficiary at any time by written request. The request must be completed, signed, dated and filed through the Group Policyholder.

AUL may recognize a beneficiary change as of the date the form was signed by the Employee even if the Employee is not alive when AUL receives it. However, AUL is not liable if benefits are paid according to the previous designation before AUL receives the change. If the Employee applies for an individual life insurance conversion policy under Section 10, Conversion Privilege and names a new Beneficiary, AUL will use any beneficiary designated in that application when determining which beneficiary to pay.

AUL reserves the right to require that any Beneficiary designation be acceptable to it and be made pursuant to applicable laws.

SECTION 17 - THE DEATH CLAIM

If the Employee dies while insured under this policy, proof of death should be furnished as soon as possible. The claim may still be considered if it can be shown that timely submission of the claim was not possible due to events beyond the control of the beneficiary, but will not be considered after the applicable statute of limitations has passed.

Proof of death must include:

- 1) a certified death certificate; and
- 2) a completed claim form.

AUL, at its option, may also require:

- 1) return of the Employee's insurance certificate;
- 2) submission of pertinent medical records, including an autopsy report;
- 3) police reports; or
- 4) any other documents AUL may deem reasonably necessary to determine what benefits and to who benefits are owed.

If the cause of death cannot be clearly established by other means, AUL reserves the right to have a medical examination performed on a deceased Employee. The examination will be performed:

- 1) at AUL's expense; and
- 2) by a Physician of AUL's choice.

If this policy is no longer in force, proof furnished more than two (2) years from the date of loss must also include:

- 1) proof of employment at death; and
- 2) proof of coverage under this policy at death.

SECTION 18 - DETERMINATION OF BENEFICIARY

Once acceptable proof of death is received, AUL will determine the Beneficiaries or payees in the following order:

- 1) If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally.
- 2) If no primary Beneficiaries outlive the Employee and there is no distributive share indicated among contingent Beneficiaries, then all contingent Beneficiaries will share equally.
- 3) If no named Beneficiaries outlive the Employee or none were named, then at AUL's option, a surviving relative. Relatives will be considered in descending order of preference as follows:
 - a) spouse;
 - b) natural and adopted child(ren);
 - c) parent(s); or
 - d) brother(s) and sister(s).
- 4) If the Employee's estate is not substantial and there are no statutory requirements to the contrary, at AUL's option, benefits may be paid to the closest surviving heir(s) under applicable small estate laws.
- 5) If no named Beneficiaries outlive the Employee or none were named, then at AUL's option, the Employee's estate.

AUL may, at its option, pay the proceeds in an amount up to \$250 to any individual appearing to AUL to be legally entitled to payment by reason of having paid funeral or other burial expenses related to the death of the Employee.

In the event the Employee and his Dependents should die simultaneously or if there is no clear evidence as to which individual died first, it shall be presumed that the Dependents should have predeceased the Employee.

If any Beneficiary dies within 15 days after Employee's death, the Beneficiary will be treated as having died before the Employee. This provision does not apply to any payment mailed to such Beneficiary during the 15 days following the Employee's death, and any payment made in good faith shall fully discharge AUL.

SECTION 19 - SELECTION OF PAYMENT METHOD

The proceeds will be paid in a lump sum unless another payment method is selected or changed by giving written notice to AUL prior to the Employee's death. If no payment method is in effect at death, the payee may select a payment method. For information concerning payment method options, the Employee or payee should contact AUL.

Benefits will be paid only if AUL decides in its discretion the person is entitled to them and after AUL approves the payment method. Any person who becomes entitled to receive any portion of the proceeds under this policy shall be entitled to receive payment of interest if any payment is not received by such person within 30 days after the event giving rise to the obligation and after all requested information is received by AUL. Interest payable shall be calculated at an annual rate after all requested information is received by AUL. The rate of interest payable shall be the lesser of 3% or that rate, as determined from time to time by AUL, applicable to proceeds of life insurance left on deposit with AUL and subject to withdrawal on demand. For the purposes of this section, payment shall be deemed to have been received by the person when deposited by AUL in United States mail, postage prepaid, and directed to the person's last known address or the Group Policyholder's address shown in AUL's records.

Other than lump sum payment, AUL reserves the right to specify the minimum periodic payment when a method is to become effective.

SECTION 21 - GENERAL POLICY PROVISIONS

ENTIRE CONTRACT: This policy, the enrollment forms of the individuals, the application of the Group Policyholder, and any amendments made from time to time constitute the entire contract between the parties. A copy of the application of the Group Policyholder will be attached to this policy when issued.

AMENDMENT and CHANGES: This policy may be amended by mutual agreement between the Group Policyholder and AUL but without prejudice to any valid claim incurred prior to the effective date of the amendment. All statements made by the Group Policyholder or by the Employees or Dependents insured are to be deemed representations and not warranties, no statement made by any person insured may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to the Employees or Dependents or, in the event of death or incapacity of the Employee or Dependent, to the Employee's or Dependent's beneficiary or personal representative.

If a reinstatement is contested for misrepresentation, no representation other than one causing the reinstatement may be used to contest the policy, any contest of the reinstatement may be for a material and fraudulent misrepresentation only and reinstatement may not be contested more than two (2) years after the effective date of the reinstatement; provided, this provision does not affect AUL's right to contest the policy for a representation respecting the initial policy issuance or a different reinstatement during the incontestable period applicable to such issuance or reinstatement. The Accidental Death Benefits are not subject to this provision.

INSURANCE FRAUD: AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. AUL promises to focus on all means necessary to support fraud detection, investigation and prosecution.

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance may be guilty of a crime and may be subject to fines and confinement in prison.

RELATIONSHIP: AUL and the Group Policyholder are, and will remain, independent contractors. Nothing in this policy shall be construed as making the parties joint ventures or as creating a relationship of employer and employee, master and servant, or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Group Policyholder each retain exclusive control of their time and methods to perform their respective duties. SECTION 21 - GENERAL POLICY PROVISIONS

Continued

The Employee is entitled to a grace period of 31 calendar days for the payment of any premium due except the first. During the grace period, the insurance coverage shall continue in force, unless AUL has received written notice of termination in advance of date of termination and in accordance with the terms of the policy. Group Policyholder is liable to AUL for the payment of a pro rata premium for the time the policy was in force during the grace period. If the required amount of premium is not received by the end of the grace period, the insurance will terminate as of the last day of coverage for which premium was paid.

LEGAL ACTION: No legal action may be brought to obtain benefits under this policy:

- 1) for at least 60 days after proof of loss has been furnished; or
- 2) after three (3) years from the time written proof of loss is required to have been furnished to AUL.

If there is any discrepancy between the provisions of any certificate and the provisions of this policy, the provisions of this policy will govern.

ASSIGNMENT: A Group Policyholder may not assign any benefits or rights under this policy without first receiving AUL's written approval. An Employee may make an absolute assignment of all benefits and rights of his coverage. Any coverage is assignable to the extent permitted by law except that no collateral assignment is permitted. No assignment is binding unless filed with AUL in a form acceptable to it. AUL assumes no responsibility for the validity or effect of any assignment.

CLAIMS OF CREDITORS: The benefits paid under this policy will be exempt from the claims of creditors to the maximum extent permitted by law.

SECTION 21 - GENERAL POLICY PROVISIONS

Continued

The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. AUL's review will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. Section 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. Section 2560.503-1.

SECTION 22 - PREMIUM PAYMENT

Each premium is payable by the Group Policyholder to AUL on or before its due date. Upon the request of the Group Policyholder and the written consent of AUL, the premium due date may be changed. Payment of any premium does not maintain the insurance in force beyond the end of the period for which the premium has been paid or after the policy has terminated except as provided under the Grace Period provision. The policy is renewable at the option of AUL only.

AUL reserves the right to change premium rates on:

- 1) any date after this policy has been in effect for 3 years by giving written notice to the Group Policyholder at least 60 days before the date the change is to become effective;

Not later than the 61st calendar day before the date on which a premium rate increase takes effect on this policy, AUL will give written notice to the Group Policyholder of: (1) the amount of the increase; and (2) the date on which the increase is to take effect. The notice will be based on coverage in effect on the date of the notice. AUL will not be prevented, at the request of the Group Policyholder, from negotiating a change in benefits or rates after delivery of the notice required by this section. A Group Policyholder entitled to notice will not be required to respond to AUL to renew the policy or take other action relating to the renewal or extension of the policy before the 45th calendar day after the date the notice described under this section is given.

SECTION 24 - TERMINATION OF THE POLICY

The Group Policyholder may terminate this policy at the end of any Coverage Month by giving AUL at least 31 days prior written notice.

AUL may terminate this policy at the end of any Coverage Month by giving at least 31 days prior notice to the Group Policyholder.

AUL WILL STILL BE LIABLE FOR PAYMENT OF VALID CLAIMS INCURRED BEFORE THE TERMINATION DATE.
