When You Need It Most

Chubb Accident provides coverage if you are accidentally injured and need treatment, whether you go to a physician's office, urgent care center or the emergency room. There are no restrictions on how the money can be used.

Accident Insurance Benefits Include

First Accident

Pays you \$100 soon after you report your first claim for covered benefits. If you get injured, we can begin processing your claim as soon as you submit it, so you can get cash benefits fast.

Sports Package

Your benefits increase 25%, up to \$1,000 per person per year, for injuries resulting from participating in organized sports. Playing sports can lead to injuries and unwelcome expenses. We'll increase your benefits to help pay those expenses.

Rehabilitation Package

We pay cash benefits for daily confinement. We'll even pay for therapy, including physical, occupational and speech.
